

Northern Parishes Battle of Flowers Association

2024 Float Designs

We're looking for new and exciting designs for our senior and junior floats for the 2024 Battle of Flowers!

If you have a design, get it down on paper and send it to us for consideration. It doesn't have to be a scale drawing but include as much detail as you can about music, costumes, and colour please. If you have any questions, please email us at the email address below.

All designs received will be discussed by our committee and you might have your design turned into a magnificent floral float in the 2024 Battle of Flowers!

Designs need to be emailed to:
northernparishesbof@gmail.com

By Friday 5th January 2024
