

2025 Rates Demands

Rates Demands for 2025 have now been sent to all St John's ratepayers.

Any ratepayer who has not received a Rates Demand should contact the Parish Office immediately. If you normally receive your bill by email and you have not received it, please check your Junk or Spam email box. If you have moved workplace or change your email address, please ensure you have updated your details with the Parish.

By virtue of this Notice each ratepayer shall be taken to have received a Rates Demand for payment and it shall not be an excuse for non-payment that it was not received.

The Rates are payable on demand. A surcharge of 10% will be added to all amounts not paid with three months of the date of the bill. Payment must be received by 4pm on Friday 17th October 2025 to avoid a surcharge.

If you have any questions, please email parishhall@stjohn.je or call 861999.
