

Jersey's election explained: unlock your political power in 2026!

Did you know that you can vote in Jersey's next election if you're aged 16 or over and have lived in the Island for one year leading up to Sunday 7 June 2026?

[Vote.je](#) is Jersey's Official Election Guide and it's our mission to help people understand Jersey's political system and to empower them to vote in every election as soon as they become eligible.

Join a **FREE** interactive, one-hour session which will take you behind-the-scenes and into the States Chamber, where Jersey's elected parliament meets to debate and create the Island's laws.

You'll learn how the decisions that affect our daily lives are made by the States Assembly, and how our elections work, so that you'll be informed and ready to vote on election day.

The session is politically neutral, and you'll have plenty of opportunity to ask questions.

Vote.je is delivered by the States Greffe (clerks to Jersey's parliament) and overseen by the Jersey Electoral Authority.

There are eight dates to choose from and tickets are bookable via [Eventbrite](#).
